Building for Today, While Preparing for Your Future.

Dear Supporter,

We in Cork Sinn Féin are currently under going a period of rapid development across Cork City & County. New full time staff positions have been created & information technology resources have

been upgraded. Thus, we face into the electoral challenges ahead prepared & confident .

However, we do require additional financial supports to continue to build the party in Cork. To this end we would ask that if you feel that

you can assist in a positive way then please consider signing up to our Cork Sinn Féin Development Fund. So that we can move forward with the much needed additional financial resources.

Let you, help us, make Cork Sinn Féin the great success that it can be.

Please fill in the Standing Order for the amount of your choice.
